

WITHOUT YOU, THEY HAVE NO ONE.

## YOU CAN HELP SAVE LIVES.

Every year, at least one quarter of Calgary's homicides are domestic in nature, ranking our city as having one of the highest rates of domestic homicides in Canada.

It is time to take action. Coordinated action.

HomeFront brings together specialists from law enforcement, justice, health, community and treatment agencies to offer a sustainable systemic solution to freeing families from domestic violence. Over the years, HomeFront has helped more than 18,000 victims create safer homes for themselves and their children.

Together with our partners, HomeFront is working towards a common vision to end domestic violence in Calgary. With your help, we can make this vision a reality.

"THE NUMBER ONE PARTNERSHIP WE HAVE IS BETWEEN OUR DOMESTIC CONFLICT UNIT AND HOMEFRONT. THEY ARE OUR HOMICIDE PREVENTION UNIT. THEIR INTERVENTION SAVES LIVES, IT SAVES FAMILIES, IT SAVES PEOPLE.

## YOU CAN HELP PUT LIVES BACK TOGETHER.

HomeFront's **Early Intervention & Outreach Program** interrupts the cycle of abuse at its earliest phase. To date, the program has served more than 2,550 men, women and children.

Our 5-year goal to raise **\$4.5 million to support Early Intervention & Outreach** will help an additional 10,500 individuals make healthier choices.

HOMEFRONT IS MEASURABLY MAKING A DIFFERENCE IN THE LIVES OF MEN, WOMEN AND CHILDREN IN THIS COMMUNITY BY REDUCING THESE FAMILIES' VULNERABILITY TO VIOLENCE."

## YOU CAN KEEP VICTIMS SAFE AND HOLD OFFENDERS ACCOUNTABLE.

HomeFront's unique, research validated model has reduced the rate of violent domestic re-offences in Calgary by 66%.

Our **Court Casework Program** has provided safety planning and support to more than 13,455 victims throughout the judicial process and has sent more than 6,500 offenders through specialized treatment.

Our 5-year goal to raise **\$4.1 million to support Court Casework** will serve an additional 7,500 victims and further reduce the rate of violent re-offences.

HOMEFRONT IS A TREMENDOUS COLLABORATIVE EFFORT BY DEDICATED AGENCIES  
IN THE CALGARY AREA THAT IS DELIVERING OUTSTANDING RESULTS."

## YOU CAN HELP BREAK THE CYCLE OF VIOLENCE.

Picking up where other victim services end, HomeFront's **Partner Support Program** has kept more than 2,250 victims of domestic violence safe throughout the term of their abuser's probation.

Our 5-year goal to raise **\$3.5 million to support our Partner Support Program** will help an additional 5,000 victims and their children break the cycle of violence.

HOMEFRONT IS THE MODEL THAT PEOPLE NEED TO LOOK AT. WE HAVE GONE THROUGH A NUMBER OF YEARS OF CHANGE...AND THE HOMEFRONT MODEL IS THE MODEL THAT IS WORKING."

CHIEF PROBATION OFFICER **SHAWNE YOUNG**

## ALL WE NEED IS YOU.

HomeFront's goal to raise a total of \$12.1 million over five years allows our frontline experts in the **Early Intervention & Outreach, Court Casework** and **Partner Support** programs to assist in transforming the lives of 23,000 individuals currently without HomeFront's protection and assistance.

Domestic homicide is an all too common form of violence. In 2009, the cost of a single domestic violence homicide response was \$1.7 million. Based on our 5 year goal to serve an additional 23,000 individuals, the cost for HomeFront's intervention and protection services is just slightly more than \$526.00 per individual.

With your help, over the next five years HomeFront can achieve our goals by getting to the root of the issue through expansion of our intervention and prevention services. Without your support, HomeFront will not be able to address the need or deliver the level of service excellence our citizens and community deserve.

HomeFront saves lives by keeping families safe and communities healthy. We can put an end to domestic violence in Calgary. All we need is you.
